

AFTER WORK – RELAX & LEARN

Join your colleagues for a beer or glass of wine and snacks and attend this networking opportunity.

Marcellus Shale

Advance your understanding of how it impacts the region's transportation, supply chains & YOUR business.

Interested...? The Traffic Club is sponsoring an after-work social and educational event on Thursday, October 27th from 5:15 till 7:00 pm. Come on down and bring your friends or customers. The event will be held at Amici Banquet Center (formerly Tambellini's) on Route 51 just south of the Liberty Tubes. (Free Parking)

A beer, wine or bar drink is included with your ticket along with light snacks starting at 5:15 PM in a casual atmosphere allowing you to mix with your friends (and maybe meet some new ones) and get your "attitude adjusted."

Jim Daley, Director of Natural Gas and Energy Programs, Greenhorne & O'Mara, Environmental Consultants will then give us a brief overview of the Marcellus Shale Industry and explain how it impacts Transportation & Supply Chains in our industries. After that, Jim will answer questions you may have.

Cost: \$20 for snacks and a drink. Please make reservations by close of business on Oct. 24.
